Subject: PSI Advisory Committee meeting

Greetings ! I hope everyone had a summer that was both productive and enjoyable.

Our first PSI Advisory Committee meeting for this academic year will be Tuesday, October 2 from 1 - 2 p.m. in University Center Conference Room 203. (We will end promptly at 2 p.m. because I have to be in Nashville at 5:30 p.m.)

Among other topics, at the meeting, we would like to discuss (1) existing PSI research efforts, (2) our pending research opportunities, and (3) any opportunities about which Advisory Committee members may be aware that we should pursue. I will send out a more specific agenda next week.

Please let me know by responding to this email whether you can attend.
